## The story of environmental data - videos

Written by Administrator

Our last videos "The story of environmental data" are available on the <a href="enviroGRIDS YouTube">enviroGRIDS YouTube</a>
channel
. They can also be found in High resolution in the
Download section
of the website.

The purpose of this animation is to convince the public and decision makers about the need for improved data sharing on the environment. It is also a capacity building exercise that is trying to explain in simple words the basic concepts behind Spatial Data Infrastructures.

Enjoy!
